Ben fell towards darkness, deceived and killed his partner Jedi and joined the order of the child's shorviras, the child taking part of the name. Because of this, it is the deportation of Skokarkar. During training under Sanuqi, he developed a strong appreciation for his grandfather, Dar Vader, to finish the ayaly which he began. Children became the primary strong-taener of the forces of the first order. Trying to find a map that will allow it to be searched by suqakar. In his search for maps, he finally met a name called Juner, who saw the holoproject of the map. After capturing r, they took it to the planet-controlled Starcolor base, where they proved to be sensitive to the force and resisted the child's mental investigation. Meanwhile, the resistance launched an attack on the basis of which the resistance was re-established with his father, Han. To resist the test of the bright side, the child killed his father. He was later confronted by FN-2187, now called Finn that The Loghitsabali won easily in Dundwiduq. However, R defeated the child by sword and face and his detention in power. After being injured and humiliated, Sanuko was brought in before completing his training, but once he was published before his owner in his throne room, Sanukoji joked and expressed doubts that the children could be worthy successors to Dar Vader. Anger, the child led a brief attack on the resistance fleet which ended with his mother, General Lea Organ, Lachar. On sinuo-laws, however, the child was forced to retire, being backward from persecution. The child used to feel a force bond that he was with R and allowed him to interact with and interact with him. It finally causes him to come to the fore, looking for his salvation. The children came before The Throne of Sanuqi (who had attached his minds to his mind), he ordered it to be implemented, but instead killed Sanukoji. Although two immediately got to finish the Snowkey's Perituaan Guard, R rejected the child's proposal to join them and rule on his part. During the Galactic Civil War, Lando became the Barron Administrator of Cloud City, a mining colony in Gas Giant Baspan. Haan Solo, who had joined the Rebel Alliance, was looking for asylum in Cloud City, but he tracked him down and warned the Galactic Empire. The royal forces ordered by Dar Wadar that Han and Jabari Lando decided to enter into an agreement to protect the city in baspan in terms of Han and the rebels. After Han was frozen in Carbonati and given as a reward for the fact, Vader changed the terms of the agreement, demanded that it be given to Han's associates and allow the amperal capture of cloud city. I repent, release the rebels and escape to the Malayanium Falcon. Four months later, Lando helped save The Hon from the employer's clutch, and became a rebel alliance general, and the other was the Falcon's pallating during the death star's ruin. Lia Organ Main article: Performed by Lea Andagan: Harry Foster. The secret daughter of Ankan Skokar and Padme Amidala, adopted by the royal family of planet Aldran after her mother's death and her father's transformation into Dar Vader. Among his youth, Lia learned politics and diplomacy and eventually succeeded in becoming the youngest senator in history in the Datk father, bail and the gon, the American Senate. In alliance with The Guarantee He Helped Create A Rebel Alliance To Fight The Empire. During the Scaraf fight, Lia received on board, the technical blueprints of the Death Star Space Station. However, Lia was surrounded by the empire so that he concealed blueprints inside the R2-D2 droid before taking it to the station. Finally, meet R2 and C-3PO, And The Smugglers, Hon Solo and Kyobaka, who rescued him and safely took the rebel base in Yawan 4, which allowed the destruction of the star. Since then, Lia has helped coordinate alliance operations. After the Hot war, The Wadar took over Lia and Hin (jin had fell in love with Lia) to woo The Löks kökkar in. The hon was captured by Boba Fitt, but managed to escape with the help of Lia, Loq and his companions Lando. Months later he participated in the rescue of Haan de Jabal Ba, in which Lia killed the owner of the crime. He was part of a rebel team that was accused of destroying the star's shield generator during a solo fight or another death. During this campaign they learned that Loqa was his brother and that He was the father of The Vadar . Lia later helped to form a new republic, but with its policy of dissent, the lea as the leeen to its most armed forces stopped not considering the threat to the royal rest. After the restoration of the republic, He married Lia and he had a son named Ben. Decades later, the establishment of the first order, the self-declared successor to the empire, Lia has tried to make the Republic take military action against it, but the Senate did not hear the desire, because Lia lost many dignity after the public revelation that she was the biological daughter of Dar Wadar. Lia Resor is known as resistance to form a quasi-military force, recruits many of its former rebel allies. Meanwhile, however, his son Ben was impressed by the dark side of power and joined the first order with the name. It was able to destroy the super weapons of the resistance order, based on the Starcolor base, but this operation was achieved at the cost of The Death of The Hon in the hands of his own son. After the war, Lia sent the junky in search of Luke, who was deported to unknown areas, to bring him back and bring hope to the galaxy. General Lia immediately later started managing the withdrawal of the base of resistance, but soon after the fleet escaped, they were first tracking by command through the place. During the initial attack, The Command Bridge of The Kuser Raddos, where Lia was located, was destroyed by a squadron of fighters led by him, but Lia escaped the space space, to return to the plane to save himself, although this attempt would have dropped his unconscious. After standing up from the coma, Lia set out to send resistance troops to the surface of the planet Karath, where an ancient rebel base was located. In this attempt many ships were lost and it was founded by the first siege. There, Lia met With Luka, who was present in the crates through an astral prosaion and allowed them to resist getting time to face the baby. Although the cost of trying Was His life, he died in peace, something his sister understood. And his soldiers ran from around the Malayanium , and he met the king , and assured that they had everything necessary for the Hour of rebellion . Lott d and senator representative of the Federation of New Materials. He moved agily between political and machinery in bureaucracy, to the Galactic Senate on his will. Thus they were able to fascinate the eyes of the Republic from the Navas conflict. Once the separatist movement was established, the trade federation and The Namodanas were separated from the Republic, but publicly held a neutral position, and had been part of the Senate during the d-Clone war. The main article: By Luka Skokarkar: Mark Hamel. He was the son of Ankan Skokar and Padme Amidala, a refugee when he was just a child in tattoos, where he was picked up by his uncle Swavin and Beru Lares, who were the venter farmers. Luka was satisfied with their lifestyle and tattooed and waiting to join the American Academy as a pilot. His life changed forever when his uncle bought two dual lids: R2-D2 and C-3PO, who concealed the technical blueprints of the The Memorial Death Star and deported Jedi Master Obbi-wan Canebey was sent to recruit. Obbi revealed to Him that his father was a Jedi Knight and adopted his old body. After his uncle was killed by The Stormetropars in search of the project, The Identity of The Thehsal, And Id of Luqa, Obbi-wan and the Thehsil started a journey to bring back projects to the rebel alliance, fleeing from the empire with the help of Hon Solo and Kiyubaka and the rescue princess Lia Organ, although Canebey died in the hands of his former disciple Dar Vader. After bringing the blueprints into the uprising, Luka joined the thirty rebel pilots sent to attack the weak spot of the death star. Guided by the spirit of Canebey, Luka had succeeded in destroying the space station by firing the torpidos in a weak spot by helping himtopower him. Officially a member of the Coalition, Luka Skokarkar led a rebel force known as the Daj Squadron, which fought in the Battle of Hot. After this war, in which the Alliance was expelled from its base, The Spirit of The Luka Canaby under orders journeyed with r2-D2 of the planet Dagubaha, where he met. The force was trained on the streets by Luka, but often failed their cases due to their impatientness and disbelief. After gaining a view where he tolerated his friends, He changed to Luka Dagaveba and Baspan, where Dar Wadar had captured his associates and appointed him. Loqa had faced The Vader in a dundwadka throughout his city, but He lacked enough training to defeat lord Sith, who was cutting out of his hand and he revealed that he was his real father. And He refused to join him, and left Baspan and fled with his friends with the Malenim Falcon, except For Han, who was frozen in Carbonati. It was tattooed as well. After the war, Luq acquired a cyber prosthesis for compensation for the loss of his hand and built a new bispan (after the former got lost in it since). Loqa and his fellow rebels re-introduced The Ahan and the rebel fleet, but Loq made a stopover in Dagaveba where he was warned by a living Yan Da who had again encountered the vader, and Canebey revealed to him that Lia was their twin sister. A rebel team aboard a space-shelter was stolen by The Moon by Hon and Luqa, where a new and more powerful Death Star shield generator was located. However, during the campaign, Loqa decided to convert himes into a vader, nor first revealed the truth to Lia. The Luka was brought before the emperor, Dar Sadavos, who tried to convert him into the dark side of his power in the same way with The Wadar, who defeated Him by his anger at the time, who confronted Him one last time. This feeling was the intention of Sadavos, And He decided to kill his father and to show his identity as A Jedi. Angry, Sadavos attacked Luqa through the force's ears, but The Statement of The Loqa appealed to the rest of the good in The Vadar, who cheated and destroyed his owner at the cost of his life, saved himself. After the Battle of The Jedi, Luka populated a holy temple and started establishing a new Jedi order, training the new generation of padauans. One of his perschas was his own nephew, Ben Solo, who fell under the influence of the powerful leader of the first order, Snow. Scared of understanding Ben's corruption, Loqa considered killing him. Ben, feeling deceived, once he killed his colleague Jedi and destroyed the temple, called himself. The People of The World, full of regret, deported to the planet Ahch, where the Jedi order began, are armed with strength, with the intentions of living there until they died last of the Jedi. Later, The Lookout was found by a force sensitive junr, R, who arrived on a path to get by R2-D2 and Lower San Tekka. The change changed The Luqar, who belonged to them from the ancient and his father, who recovered from him from the depths of The Baspan, as a symbol of the last hope of the galaxy. However, Loqa rejected Sabir and returned to help fight the first order. He still agreed to direct R in a series of lessons, trying to convince him of the mistakes of The Jedi philosophy, but the hidden power in it frightened him and convinced him that he would fall into the same fate as a child. Nevertheless, r's perseverance and a conversation with master Yan Da who gave him a re-thought, Was used by Luka to present himinto an avatar that allows him to face the expert child and resist The Lia. Siege by first command, escape and survive. The effort needed to project itself across the Galaxy proved deadly to The Jedi Master, who died and made one with strength, in peace and with a renewed purpose, knowing that thanks to R, he will not be the last Jedi. At the request of the wire, Karunak demonstrated the power of weapons by destroying the capital city of The Jadaha Moon, which has a low power shot of power. However, the project was expelled by the C. R. C. Division due to the leakage of important information where Erso worked. The Karanak personally asked an audience with The Emperor to get his right and claim control over the station without such success. Then, Karanak headed the Scaraph-Imperial base, where he encountered Jyn Erso and Kassiyan or injured the lachar and the kargar. Meanwhile, Karanaq destroyed its foundation to prevent the transfer of death star projects, destroying immediately. P Performance by Padme Amidala: Natalie Microsoft. Born Padme Nabari, it was a policy by planet n o, in which she was choosing the queen during her teenage years. In his time, his planet was besieged by the Greedy Trade Federation, but thanks to The Alliance of Amala with the Jedi was liberated. He then worked as a senator in the Galactic Republic and was strongly against the initiative to create a government army for the Republic. Instead, he always tried to solve the diplomacy crisis to hit the galaxy. This stand killed the conspiracy on many occasions because of Yoggar. The Jedi allies of Amidala, Obbi-wan Canebe, conspired, while their paawan was working with the safety of Ankan Skokar Nin. Two fell in love over this period of time, and after the spread of the Clone War with the Battle of Gionusas (in which they both attended) they married in a secret ceremony, as it was an act unlike the Jedi code. During the three-year war, Amidala and her allies (such as Bail and Gana and Pir-Moma) tried to find diplomatic solutions to the conflict. However, it was not because of peace efforts, chancellor Shepllus, Dauko and generally, to count. He also worked as an advocate of Ankan's support, Ahsoka, and was serving as his lawyer when he was sued on murder and teducity charges. Over time, Padme and Ankan had started complications in their relationship with the front line due to an incan's determination to make them short of belonging. In the last year of the war there was Padme. Ancan began to dream of the death of Padmeand his newborn son, who, after all, promised a way to escape his loss. However, Padme was frightened by the decision of Ancan, who, info-o-foreadately, sofafucated his by use of force. He was also a close friend of The Obbi-wan Caneby. During the Clone War, Ky joined forces with Awantresus and Murder Count Daoko to join orders from the Jedi Council. In the middle of their mission, you and each other developed the emotions of wantress. The duo were unable to discover the identity of Dar Sadavos, the murder educo, and Of, who were allied with Daako themselves and fell towards the dark. However, thanks to the sacrifice of Wantressu, he succeeded in saving himself and leaving count. After this slide he took part in the siege of Randatoveted and the outer bank in the command of The Jedi. He survived Order 66 and remained hidden during the early stages of the great Jedi Clean. R. Raddos: Paul's Kavocals, Stephen Clinton (). An admiral is the capital of moon course. Raddos had a city in the Ractic regions of his planet until he fled due to the persecution of his people by the Galactic Empire. Raddos led a large rebel alliance fleet to help a squadron of the dead in their attempt to achieve death star projects on the planet Scaraf. Thanks to the destruction of the kidney swell by the rebel fleet, a leader Was able to move the blueprints to The Jyn Erso depth. Despite the success of the mission, eventually all the rebel troops on the galaxy and the highest fleet were destroyed by the Death Star Lightning Bolt and the devastating Star Velvet. At the end of the war, Raddos died and his ship was destroyed. In his honour, the new Republic appointed one of its last major Raddos- koursars, which will later move into the service of resistance. The Main Article: Played by Captain Rex: De Bradley Bekkar (Voice Only) by an experienced Clone Captain, high-ranking spy commandos and supervised by his 501 company, by his 501 company, in which he has been serving under the Clone War. He held Skokarkar and his support, Paadawan, in high confidence. With whom he shared many closeness. He also had a relationship with The Obbi-wan Canebe and Commander Kodi, with whom he fought in many battles against the confederation of independent systems. The Rex was an effective leader concerned about men under his charge, although he started to doubt his future-and-his clone brothers-in-the-Republic. Under his leadership was experimented in the war where he was under the helm of The Dissa Jedi General Pong Krill, a secret agent of Yughr who planned to de-plan his campaign. His experience showed him the strict process of the orders, the resissis, and his confidence in the Republic of Kim with the murder of his comrades, Kaman Kankaus, who had exposed the conspiracy against The Jedi, which would be the 66th order. The recs doubts led him to remove his anabatori chip, a device developed in all clones to manage his mood, but who commanded the 66 to identify as the trembe. So, when Dar Sadavos ordered the order to be implemented, The Rex did not change against The Jedi and helped him survive a war in Mandaluri. The Riks went into his death and exile of the slope, along with Clone Waulfifa and Gregor, on the planet seelons on a te-wakar. Years later he tried to help him by Ahsoka who was discovered by the Phanex Squadron Rebels. The Recs joined the rebellion and were present when the movement of the rebels was then united in the rebel coalition. King's main article: King (Star War) By: Gul Jerusalem a young woman with a powerful sanvedinsala to power, who rose alone in the deserted world of Jackko, and survived thanks to a life as a junky in the service of Unkar Plot, after being abandoned by her parents. One afternoon, he ran into the B-8 Resistance droid, which was taking information about the location of The Jedi Master's Luq Askokar. Along with the B-8 and Finn, a soak of first order, they fled to The Jackko aboard the Malayanium Falcon. The ship was located by its former owners, Hon Solo and Qayubaka, who had helped them map with B-8 resistance. During the trip, R discovered Ankan and The Sabir of Luka Skokarkar and learned about his connection along with it. He was captured by the capture, a fell scokar supported and solo's son, and took the starkiller base of the first order. There he used his newly discovered powers to get his own mentally on his part, fleeing his cell and defeating his enemy before his destruction based on resistance. After traveling on the basis of resistance, General Lea Organ ordered him to travel from Agh, a planet where The People's Skokar was located, to bring him back to war against the first command. R found The People and presented him with his old and patient Simbulacaltal. However, it was rejected by The Jedi Master, who After the Jedi order ends he plans to die. Hehesitated, Luqar agreed to train, but he changed his mind about getting involved in the galactic controversy, R, whose huge potential differed with the view of Loqa, And i. As he ended his deep glimpse into his relationship with the child, he concluded that he could still save himself and return to the bright side as Ben Solo. Against the objections of The People, R has changed to power where the child took his prisoners and took the throne of Sinuky to Rome, the supreme leader of the first order and the child's owner. Sanuqi revealed that he had contacted the minds of R and R and determined that whoever was the aspect of the true Jedi was a threat to him. The child had the opportunity to deceive and kill his master, save his life and defeat the Sanu's Pentiuaryan Guard along with him and join their forces. After the war, the child offered to sit the galaxy with the new Supreme Leader. And he refused, and there was a brief faction among them , in which the sabir of Skokarkar was destroyed. After fleeing from R, with the help of The Koyobaka, a small group of their resistance was rescued during the Battle of Karates. After saving them, R took his place after a redeemed Sacrifice by The L.C. Skokar. Assumed his place to the last of The Jedi. During the conflict, it is also served in The Camanu, which oversees the production and training of the clone soldiers who created the Galactic Republic Forces. He threatened the future of the Clone Army which also helped defend the planet and its facilities during the separatist attack on Kamnanu. At the end of the war, he was usually accused of protecting Chancellor Paline, but he defeated him, who took the Paline prisoner. Dar Vadar hanged when you were at The Jedi Temple Of the shuviras who were there. Before dying in The Hands of Vadar, T recorded a message of inspiration in a Wholeokraon, found by The Local E. Skokar for decades. Performance by Shimi Skokarkar: Paranalaa August. Ankan Skokar's mother got pregnant without the man she was in contact with. Because of his testimony, The Jedi Ka-gan jinns had the power to have the low-lying kalloranas through midi ankan. The qa-ganwars were not able to free, a slave, as soon as they had set ancan free by batting with the owner of both. However, years later, Beyayas released and married him to a name named Kleg-lares to a wet farmer. Unfortunately, Shimi was captured and angry by the residents of sand. Ankan, already a member of the Increased and Jedi, came to their salvation, but he could only spend a few moments with his mother before he died from his injuries. Sifo was part of the High Jedi Council in the year before the Battle of Dyno as a master. He is the gift of Kalyurviangka, and as soon as he understood that a great war that would make the galaxy come up, he concluded that the Galactic Republic immediately needed a permanent army for the dominant in conflict. His views were also considered radical by other members of the council, so he was expelled from it. Sifo-Dyas continued to follow his thoughts in secret, and I contacted scientists of planet Qamanu, mastered, commissioned the creation of the clone army to serve the Republic. However, it took the attention of Sith, who made him part of his plans. After Duoko was to dark and joined Sith, he organized The Sith EA-Dyais in the middle of a diplomatic mission. In secret, Sith took control of the developing clone army in The Kmanano and ended up with the killing of the Jedi in the hands of clone soldiers under the influence of the order, a chain of events that tread due to brutal clone warfare, under the influence of order 66. Playby Sanuki: Andy Sarkas (voice and arrest movement) is a mysterious being who has felt the rise and fall of the Galactic Empire, as well as being powerful on the black side. The supreme leader of the first order and a black order known as the shorivrs of children, snouyong Jedi Padawan increased their influence on Ben Solo (later known as), falling to the black side and killing their Jedi Sababa, leaving their master, Luka, as the only survivor, to be scoukhar and in exile, therefore, The Local of The Loqa Listen to the focus on finding the occurrence, fear that it might increase a new Jedi order. When he captured a mighty junsuky named king , he commanded him to bring him before him . However, the kings fled and their army base The poem, Starcolor Base, was destroyed by resistance. Sanuqi ordered that he should return to him to complete his training. Once your owner met his master aboard his capital ship, Sanuuki joked to the child for his defeat and his intense passion for the weather. Sanuqi then ordered him to capture r and bring him before him so that he could take him to darkness. Secretly, Sinukeiy installed a strong bond between inforce and between r, which allowed them to be away. The king arrested the sino-king with the intention of the child who delivered the ship of Sanuky , but upon arrival he took possession of him from him and brought him before the throne of Sanuky . Sanuki used force to torture and revealed the location of The Luka Skokarkar, but he had planned new ones for the first order. Before realising the Supreme Leader, Sanuky used the force to divide it in half with Skokar's saber, which was in r's control. I announced to me the new Supreme Leader of the First Order. After Stom-Shen Janu, was very skilled and somewhat rebel. He didn't have much time to live by the challenge Sevvrance and being killed by sevvrance tanon. He was also the leader of the High Jedi Council. This is a young ankan was in favour of the council's consensus, although for the training of Skokarkar. Yan led the Jedi order on his mission to defend the Republic during the tough Clone War, which began with the Battle of Gionosas where Duoko, his former support, now a Sith Lord and the head of the separatist Alliance state, changed. With the Jedi order of control of the Grand Army of the Republic, Yan became one of the most misionic edited Generals of the Jedi during the war and personally dealt with Supreme Chancellor Shiff Paline. The priests, who will allow him to maintain his conscience after his physical death, worked on the journey of finding the secret of survival by the spirit of the ka-gan jinns. After a series of power cases encouraged by a group of precessionand they face the berm from Sith in which, including Dar Bina and previously unknown Dar Sadavos, Yan Da was finally deemed able to learn to unlock this ancient and forgotten power. In the last moments of the war, Yan personally journeyed to the home of The Wuikas, to oversee the defense of Kashik. They were they deceived by their soldiers, who were under the influence of the order who were 66. However, they survived and fled with the help of a couple of Vivekes. Learning the massacre of thousands of Jedi across the Galaxy, activated by Sadavos (who was originally Paline, and took Skokar as his support dar-wader), Yan met with Obby-van Caneby, just one of the surviving survivor. Yan tried to compete and beat Sadavos, but failed and was forced to go back. After the secret birth of Vader's sons, Yan helped manage the migration of children, away from his father, and after Canabe with the secret of survival, went into exile on planet Dagubah, Yan had been living in Dagubea for over 20 years, sometimes with clean escapers such as Ajarros, Aza Baradgar and Ahsoka. During the Galactic Civil War, The Journey of Dagoba under the spirit of Luka Skokar, The Son of Ankan, Canaby. On his insistence on Yan Canebe, however, he started training For The Salafi and On the Way of Force. Soon after, however, Loq abandoned his side to rescue his friends, the prisoners of the Empire. After several months, He returned to complete his training, however, Yan had fell ill and killed. However, he made one last point with his support, where he confirmed that Dar Vader was his father and another scokar, who would be out to be Lia and Gan. Yan died quietly and made one with strength. His spirit will once again be shown to The Look for The Look, along with the spirit of The Obebi-van Canebe and a redeemed ancan, after the victory of the rebellion in the war against.
